

LIFETIME POINTS STANDINGS

The following points were adopted by the RRB based on recommendation of the late Harry M. Handley. The standings are based on the lifetime scoring project begun by the late Robert V. Ridges and resurrected by the late Russell K. Brown. Lifetime standings are based on the first six overall positions (10, 8, 6, 5, 4, and 3 points respectively) on all SCCA sanctioned national **RoadRally** events (except NGR) conducted from 1958 through and including events of 10/31/07. Points are included in the RRRs for participants with 25 or more points. W. David Teter who assumed the duty from the late Victor T. Walder in 1997 maintains Lifetime Points. For inquiries about individual standings (including those with less than 25 points) call (302) 368-4210, e-mail teter@udel.edu, or send a self-addressed stamped envelope to: W. David Teter, 418 Arbour Dr, Newark, DE 19713.
