2. The Tire Rack® is the title sponsor for all 2016 SCCA® National Solo® events. Participants in these events are required to run the title sponsor decal, which is a windshield decal that is to be used at the top of the windshield. Vehicles without windshields or with plastic windshields may place the decal on the front of the car in a highly visible location approved by the Chief of Compliance. Decals other than the official Tire Rack® decal, except those required by National Tour Staff, are prohibited on the windshield.
3. Additional event decals required are one SCCA® w/wheel (on the front) and 2 National Tour decals (one on each side).
4. Competitors at the start line with the wrong number on their car, 2 sets of numbers, or the incorrect class showing may be disqualified for that run.
5. Competitors at the scanner with more than one (1) barcode showing on the helmet may be disqualified for that run. A driver at the scanner or the start line without the appropriate helmet decal (Solo 2016) will be directed away from the start and lose the run.

Site Regulations and restrictions: Enter/Exit on Ike Crow Rd from Hwy 33. Set your GPS for the intersection of CA-33 and W. Ike Crow Rd in Crows Landing CA, and head west 1.2 miles on Ike Crow Rd to the entry gate (this is the same as previous years). The County makes us block off Bell Rd and Davis Rd, which are the ones that a GPS is likely going to try and guide you in if you put the site itself as your destination.
