

DETROIT REGION SCCA PRESENTS

Moonlight Monte 2016

Saturday July 30, 2016

A DAYLIGHT/EVENING ROAD RALLY

**THIS EVENT WILL COUNT TOWARD THE 2016 DETROIT REGION AND SCCA GREAT LAKES
DIVISION RALLY CHAMPIONSHIPS**

This year's "Monte" will take competitors over approximately 200 miles of roads in the area between West Branch and Houghton Lake. Because many of Michigan's most interesting and least-traveled rally roads are unpaved, expect to run on Saturday and wash on Sunday. All of the roads chosen will be traversable at rally speeds in the average family car. Depending on weather conditions, you can expect a combination of dust, mud or washboard, so prepare accordingly. Course following will be straightforward with frequent mileage instructions. A combination of speed changes, transits and pauses will challenge the teams to arrive "on time" at both open and closed controls.
