E. PADDOCK AND GARAGE RESERVATION:

- **PARKING/PADDOCKING** is a first-come, first-serve basis here at Buttonwillow. The only “off-limits” areas for parking/paddocking is in the rows next to the hot pit wall that host Grid and Tech. One thing to remember is to keep the paved roadways as open as possible. Tow trucks often have to get disabled cars down the paved roads, so keeping your paddock spot limited to about a car width on the pavement and the rest in the grass/off-pavement areas is preferred. Garage space is nice in adverse weather conditions and garages can be reserved from the Track Office via a phone call (661) 764-5333.

- F. PREFERRED NUMBERS:** Every effort will be made to honor Conference Preferred Numbers until 14 days prior to the event. Due to the make-up of the run groups, however, this may not be possible in all situations. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request.

- G. FREE ENTRY GIVEAWAY:** A free entry will be awarded to one driver registering for the event a minimum of 14 days prior to the weekend. Driver name will be drawn at the event party or other designated time.

H. PIT AND PADDOCK AREA:

- Hot Pits are **RESTRICTED AREAS**. **HOT PASSES** (and SCCA membership) **ARE REQUIRED** and will be checked by grid personnel.
- Grid and Tech/Impound are **controlled areas**; please follow the directions of Race Officials
- **Grid is closed to through traffic** at all times.
- **Closed toed shoes** are required on the grid and over the wall on pit lane
- Unless signaling a car or tending to a car in the Hot Pits, **all persons must remain behind the pit wall**.
- **Smoking is prohibited** in the Hot Pits, Tech/Impound, Grid and all buildings.
- Spectators/participants with “**PADDOCK ONLY**” passes are not allowed over the pit wall at any time. **No one may stand or sit on the pit or track walls** anytime cars are running, either on the track or within the Hot Pits.
