 SUBJECT: Waiver or Credit for previous racing experience

We would like to make your experience in applying for an SCCA competition license a little easier. Depending upon your previous racing experience, some or all of your licensing requirements may be waived by your Divisional Licensing Administrator. You will need to document your experience

and submit it with the SCCA application forms to your Divisional Licensing Administrator (listed below). If you have questions please contact Road Racing roadracing@scca.com or Member Service membership@scca.com.
