Area 10

Board of Directors election

Mid- October, SCCA Area 10 members will be receiving ballots for the Board seat being vacated by John Walsh who has completed a successful six year commitment to the BOD, concluding as Chairman of the Board.

I would like to be your choice to assume his seat and continue the progress and service he provided for us.

Please help me by voting for me and returning your ballot prior to the deadline, November 15.

I will appreciate your vote so that I may serve you in yet another capacity.
