

Registration Policy (after online closes)

Online registration closes at 2 pm Central, Monday prior to the event. After online registration closes, you can still register for the event on-site from 3-7 pm at the SCCA timing trailer. Please note, there will be a late entry fee imposed on all on-site registrations. If the event is already full, we cannot guarantee entry on-site.

Cancellation Policy

All cancellations must be submitted in writing. For questions or to cancel, please contact Brian Harmer (bharmer@scca.com) or Jamie Mullin (jmullin@scca.com). All cancellations must be received no later than 12pm Central Monday prior to the event to receive a partial refund. After 12 pm Monday prior to the event, the entry fee is nonrefundable but a partial credit may be transferred to a future CAM Challenge (excludes Invitational).

Waitlist Policy

When an event fills up and there is a waitlist, members will be let in as cancellations are received. Waitlisted members let in will receive a notification e-mail stating they are being moved to the entry list. The member MUST then login to their MSR account and pay for the event. Sometimes the cap is increased based on pertinent information. After online registration closes, no new entries will be moved from the waitlist. It is *possible* to get in via on-site registration if there are any last-minute cancellations after online registration has closed. However, we cannot guarantee entry on-site.
