- 2 The Tire Rack® is the title sponsor for all 2017 SCCA® National Solo® events. Participants in these events are required to run the title sponsor decal, which is a windshield decal that is to be used at the top of the windshield. Vehicles without windshields or with plastic windshields may place the decal on the front of the car in a highly visible location approved by the Chief of Compliance. Decals other than the official Tire Rack® decal, except those required by National Tour Staff, are prohibited on the windshield.
- 3 Additional event decals required are one SCCA® w/wheel (on the front) and 2 National Tour decals (one on each side).
- 4 Competitors at the start line with the wrong number on their car, 2 sets of numbers, or the incorrect class showing may be disqualified for that run.
- 5 Competitors at the scanner with more than one (1) barcode showing on the helmet may be disqualified for that run. A driver at the scanner or the start line without the appropriate helmet decal (Solo 2017) will be directed away from the start and lose the run.
