## ***OKTOBERALLY – NATIONAL COURSE RALLY***

**SATURDAY, SEPTEMBER 14, 2019**

Oktoberally heads southeast into Vernon County where the roads are hilly and twisty. Only paved roads are used. Flooding prevented us from travelling over Wildcat Mountain last year so we're planning on giving it another go this year. Lunch will be at The Goose Barn [www.thegoosebarn.com](http://www.thegoosebarn.com) which is close to absolutely nothing. There are no 'course following' traps, so you can be assured you are in the correct place, just like a Tour. All traps are based on the correct execution of pauses. Speeds are moderate and free zones are used extensively. The Richta CP Timing system will be used, so you will need a smartphone.

## ***PURSUING PURPLE COWS – NATIONAL TOUR RALLY***

**SUNDAY, SEPTEMBER 15, 2019**

Pursuing Purple Cows also heads southeast into Vernon County. We are using some roads we have overlooked in the past. Both paved and unpaved roads are used. Speeds are brisk. Controls are located in challenging locations. The Richta CP Timing system will be used, so you will need a smartphone.
