

The SCCA Southeast Divisional Path to qualify for the 2021 National Championship Runoffs @ Indianapolis Motor Speedway has been approved using our South Atlantic Road Racing Championship events (SARRC). The criteria listed below is as of April 1, 2021 and updated July 16, 2021. The website address for the Runoffs is www.scca.com/runoffs

Southeast Divisional Path Participation + Performance

1. Participate in a minimum of 4 SARRC event weekends within the same car class for each invitation to the Runoffs. Participate” is defined as turning a wheel on track in an official session (practice, qualifying, warm-up, race) and appearing in the Official Race Results.
 - A. Optional: Replace/Substitute (1) one SARRC event by participating in (1) one U.S. Majors Tour event weekend.
 - B. If a Region holds a “dual” event; a Majors with a Regional-sanctioned run group and a driver participates in both, in the same Runoffs eligible class, Majors credit will automatically be earned toward qualification. Drivers must make a separate request to the SARRC Administrator to also receive SARRC points for these events. A driver competing at a “dual” event receives credit for one participation weekend. Three additional SARRC weekends are required.
 - C. SARRC events must occur prior to September 12, 2021 to count.
 - D. This path excludes any Enduros. You must participate in the SARRC race(s).
2. Performance criteria is finishing in the TOP 3 of your car class (Top 5 for SM/SRF3) in the SARRC Divisional Point Standings.
 - A. Drivers who wish to participate in this Divisional Path please email Jim Creighton, SARRC Administrator at jcreig53@mindspring.com to insure your SARRC points are credited towards the Southeast Divisional Path.

NOTE: All information above is current as of July 16, 2021.
