

End of Summer Showcase Festival

Monopoly III Road Rally

Steel Cities Region, SCCA, as part of this year's End of Summer Showcase, will stage the Monopoly III Road Rally on Saturday, August 28, 2021.

The 60 mile, approximately 3 hour afternoon event will start and finish at Pitt Race, the Pittsburgh International Race Complex, in Wampum, PA, just off the PA Turnpike, Beaver Valley Exit 13, 45 miles north of Pittsburgh, PA.

Like similar Sports Car Club of America Road Rally events, this one will use paved, public, lightly traveled country roads. Road Rally is not a race. You will travel below the speed limit searching for the correct signs to move around a Monopoly game board. The winning team will be the one who comes closest to the correct trip around that board. This event will wind its way through tall forests, past large farms and small towns.

No rally experience is necessary but you will need a street legal car, a driver and a navigator. The entry fee is \$25 per car, and only the driver needs an SCCA membership (weekend membership can be purchased at registration).

To allow Steel Cities to prepare for the event, teams must contact Rick Beattie at rlbarchitect@gmail.com by 9:00PM, August 25, 2021, to confirm their attendance and to receive further information.
