2022 TOYOTA/TRD CONTINGENCY AWARD GUIDELINES

This form is intended to set forth the guidelines that are applicable to any applicant seeking to participate in the Contingency Award Program offered by Toyota Motor Sales, U.S.A., Inc. ("Toyota") and TRD, Inc. ("TRD") (hereinafter, collectively referred to as "Toyota").

1. Applicants must comply with all federal, state, local laws and applicable competition/sanctioning body rules and regulations in effect at the time of the event. Void where prohibited or restricted by law.
2. To enroll in the Toyota Contingency Program ("Program"), a completed 2022 registration form must be submitted to TRD prior to March 31, 2022. Please note that the only registration or renewal forms accepted are the electronic fillable pdf forms included with this packet. The required form must be completely filled out and sent to the e-mail address indicated on the form. Hand-written forms or faxed forms will be deemed ineligible. Please indicate who the driver will be on the form.
3. SCCA Racers: Awards will be granted only for those individuals racing in a Toyota, Lexus or Scion Vehicle pursuant to Sections 4 and 12 herein, in the following SCCA-sanctioned events: U.S. Majors Tour events and Runoffs Qualifier Club Racing Regional events (each, an "event"). All details of the events are in Sponsor's sole discretion and by participating/driving, you agree to abide by those decisions and these Terms and Conditions, accordingly.
4. Toyota Race Vehicle Requirements: In order to be considered for an award under this program, each competitor must display official TRD logo stickers, as supplied by TRD, prominently affixed to both sides of the entered Toyota vehicle. In addition, each competitor must display the Toyota () logo and "TOYOTA" in 4.5-inch tall (or larger) letters (black, white or red only) on the race vehicle, one on each side and one forward-facing. For branding guidelines please reference www.toyotaracingstyleguide.com, using the log in: **toyota** and password: **toyotastyle**.
5. Scion Race Vehicle Requirements: In order to be considered for an award under this Program, each competitor competing in a Scion model vehicle will be eligible for awards at the same levels and in the same classes applicable to the Toyota contingency program. There is no separate Scion program. Competitors must display official TRD logo stickers, as supplied by TRD, prominently affixed to both sides of the Scion race vehicle in order to qualify for an award.
6. The registration form has an area to request the stickers and die-cuts ("Decals") that you are required to include on the vehicle to participate. Replacement stickers and die-cuts are available from TRD upon request by e-mailing mike.norem@toyota.com. Please only request Decals if you need them.

7. All Contingency Award Claim Forms (copy attached) must be accompanied by a copy of the official race results and submitted no later than 30 days after the applicable event date. First time claimants must fill out the attached W-9 form and submit it along with the Award Claim Form. If an award applicant fails to submit the required W-9, Toyota will not be required to consider the applicant's claim or make payment. Claims submitted more 30 days after an eligible event will be disallowed. **This rule will continue to be strictly followed in 2022. Late claims will be deemed ineligible and will be denied.** Falsification of information will be considered grounds for disqualification from the Program.

8. If contingency award money is to be paid to someone other than the driver, both the driver and the claim recipient must endorse the award claim form. See below Registration Form for the Program Awards breakout.

9. Toyota contingency awards are awarded for performance and competition. In keeping with these standards and in order to be considered for an award, competitors must start at least two vehicles in the event race class.

10. In the event of a tie between two Toyota competitors, the competitors will share equally from the combined awards for that position and the next lower level award.

11. No contingency award money will be paid to a participant who fails to finish an event. Toyota/TRD USA contingency awards are based on finishing position only (championship awards are exempt from this rule).

12. Only participants competing in vehicles with a Toyota or Scion engine and body are eligible for award payments. Exceptions to this rule are Toyota-powered Formula Atlantic Racers, Midgets and Silver Crown cars.

13. Any competitor disqualified at the SCCA National Runoffs will forfeit any and all contingency awards earned at the Runoffs, including tow money.

14. **GENERAL CONDITIONS AND INDEMNITY AND RELEASE:** The Program is subject to all applicable federal, state and local laws. By participating in this Program, each and every applicant and driver/participant: (1) agrees to indemnify, release and hold harmless Toyota (also known as, the "Sponsor") and its employees and affiliates from any and all losses, damages, rights, claims and actions of any kind in connection with the Program; (2) agrees to be fully and completely bound by these Official Terms and Conditions; (3) agrees to indemnify, release and hold harmless Sponsor and its employees and affiliates from any and all liability for any loss, harm, damages, costs or expenses, including without limitation property damages, personal injury and/or death arising out of participating in this Program, based on publicity rights, defamation or invasion of privacy, copyright infringement, trademark infringement and/or any other intellectual property right or participation in any event; and, (4) Contingency Award Winner consents to the use of his/her/driver/Team name, photograph, likeness, statements, testimonials, for advertising, promotional or any other purposes in any medium throughout the world in perpetuity without additional compensation or consent unless prohibited by law.

15. Failure to meet all of the terms and conditions listed above can result in Toyota denying payment of contingency awards and dismissal from the Program.

16. Toyota reserves the right to amend or cancel this Program at any time. All money paid under this Program is reported to the Internal Revenue Service along with the recipient's name, address and social security number/federal I.D. number.
