- **PARKING/PADDOCKING** is a first-come, first-serve basis here at Buttonwillow. The only "off-limits" areas for parking/paddocking is in the rows next to the hot pit wall that host Grid and Tech. One thing to remember is to keep the paved roadways as open as possible. Tow trucks often have to get disabled cars down the paved roads, so keeping your paddock spot limited to about a car width on the pavement and the rest in the grass/off-pavement areas is preferred. Garage space is nice in adverse weather conditions and garages can be reserved from the Track Office via a phone call (661) 764-5333.

- F. PREFERRED NUMBERS:** Every effort will be made to honor Conference Preferred Numbers until 14 days prior to the event. Due to the make-up of the run groups, however, this may not be possible in all situations. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request.

- G. FREE ENTRY GIVEAWAY:** A free entry will be awarded to one driver registering for the event a minimum of 14 days prior to the weekend. Driver name will be drawn at the event.
