& Joe Austin

SITE RESTRICTIONS/INFORMATION:

- Camping is welcome and encouraged on-site. Access to firewood, bathroom facilities and hand washing stations will be available beginning Thursday. Shower facilities will be available but may not arrive until after Thursday.
- There will be some grills available for public use near the site tent starting Friday evening after the Welcome Dinner. Bring your own charcoal.
- Carry in/Carry out as much as you can. Lean really hard into "leave the site cleaner than you found it" as the site owner has been unhappy with the site condition post-event in the past. No one wants to be a part of the last event at a site due to trash issues.
 - There will be a dumpster at the site entrance and barrels with trash bags all over in paddock. Please use them.
