

TEXT MESSAGING

For 2022, the SCCA Runoffs will use a new SMS text messaging system, Simple Texting. Simple Texting offers coverage in North America and will even extend to Puerto Rico and other countries in the Caribbean. We'll keep you up to date on things you need to know while you're at VIRginia International Raceway, all you'll need to do is subscribe to the groups you're interested in. Standard message rates will apply.

Here's how to do it:

1. For General Information text **RUNOFFS** to **833-345-2423**.
2. If you want updates for specific groups or classes, pick a keyword from the list below and send a text to **833-345-2423** with the keyword in the message. (*Pay close attention to the spelling of the keyword*) For example: Text Worker to 833-345-2423 or text FormulaV to 833-345-2423
3. You can opt-in to as many keyword groups as you want.
4. You'll get a message back once you've joined a group.
5. Text STOP to 833-345-2423 at any time to unsubscribe.
