Protest Report

Protest Filed: 08-Sep-2022 12:44:33

Protest Filed by: Kerry Gonzales CAMS - 99 - Corvette	Protest against: Moore CAMS - 33 - Corvette
--	--

Section Protested: CAM section Body Allowance

Protest Description:

The 33/133 car is missing it's rear bumper and quarter panel which does not present a "finished" exterior look in violation of the body allowance rule.

Protest Committee Decision:

In the opinion of the protest committee, the car does not meet the spirit of the body allowance rule (appendix B body allowance bullet point 4 - must have "finished look"). Although there appears to be no performance advantage, the PC is imposing a penalty of one second on each run for each driver today. If the the protestee makes a good faith effort to address appearance for tomorrow, additional penalties will not be applied. However if car is run in current configuration, a penalty of 2 seconds each run each driver shall be applied.

Protest Chair	Jennifer Merideth
