SITE RESTRICTIONS/INFORMATION:

- Site access ends nightly at 7:00 pm. Everyone has to be off-site by then (vehicles, trailers, etc. can stay but you won't have access to them until gates reopen the next day at 6:30 am).
- Cars cannot go on course until 9:00 am. Sunday's schedule has been updated to reflect this restriction.
- Welcome Party! There will be a welcome party on Friday night in the campground area featuring smoked meats and libations. Bring a chair and come hang out with your fellow autocrossers for a bit. If you've attended a welcome party or CCR event social before, head to the standard location. If you're joining the party for the first time, head toward spot 23 - look for the crowd or just follow your nose.
    - There is plenty of overflow parking by the bathhouse/roundabout.
- Camping IS NOT allowed on site – there is a campground just outside of the gate
- Alcohol is NOT allowed
- No food on site but there are plenty of options available in the Weddington Rd area (about 1.5 miles away), including a Starbucks, a Jack in the Box, a Five Guys, and a CookOut (among others).
