

Runoffs Report – September 8, 2023

The Runoffs is quickly approaching and in two weeks we'll be loading in to VIR! Here is this week's news you should know! Have a great weekend.

Reserved Paved Paddock Last Call!

There are still several paved spots in the main paddock available for reservation. On Monday, Sept. 11, we will begin assigning these as second spots for drivers, so you have a couple of days to select these spots on your own!

Drivers with a space that they reserved as part of the single-car process may switch spaces through the parking app, and drivers without an assigned space may still reserve a spot at <https://runoffsparking2023.motorsportreg.com/>. Participants that were assigned a space during the prep shop or manufacturer parking process may not move out from their existing space.

If you have an existing space and would like to potentially reserve another one, we will begin assigning available paved or gravel spaces on Monday. Please e-mail requests to runoffs@scca.com. There are still grass spaces available as well.

Attention Pro Path Drivers!

If you are qualifying for the Runoffs using the Pro Path, don't forget you must purchase Majors Substitute Entries to complete your qualification process. Substitute entries must be purchased by Wednesday, September 13, 2023. Click for Instructions on how to purchase Majors Substitute Entries.

SCCA Women on Track

Hey ladies! You're officially invited to the inaugural SCCA Women on Track Runoffs Social Hour on Tuesday, September 26 after track activities have concluded at the pavilion near driver information. This ladies-only event is designed to bring those attending the Runoffs together, whether you are racing, volunteering, crewing or supporting. See you there!

Attention Prep Shops!

Prep Shops register your crew now!

If your prep shop was pre-assigned a paddock space, then you already have a record in the event. Please log-in to your prep shop profile and edit that record to add your crew

names. Your prep shop profile is where your paddock parking assignments have been added, too. If you don't have your Prep Shop profile login, please contact MotorsportReg at msrhelp@motorsportreg.com for assistance.
