

Runoffs Report – September 28, 2023

Whether you're flying high from an awesome day on track, with your friends or at the All-Participant Party, or even frustrated from a disappointing day of competition, we can all be thankful for the lack of a tropical storm (no thanks, 2022!) and looking forward to the first day of racing. Here are a couple of notes for this evening...

While the top prize will be awarded this weekend, the honor of the fastest driver at the National Championship Runoffs has already been secured for each class.
