SCCA®
RALLY/SOLO

September 19, 1997

Dear 25th Anniversary Participants,

We sincerely hope that you enjoyed your time in Topeka celebrating twenty-five years of National Solo II competition while competing in the 1997 Tire Rack SCCA Solo II National Championship. This truly was a memorable week as over 900 drivers descended upon Topeka to enjoy the celebration, competition, and camaraderie.

What made it especially memorable was the sense of cooperation and spirit shown by the attending Solo community in making the event a success. Without everyone of you pitching in, the event would have been considerably different.

However, there are some folks that deserve special recognition for their contributions. This begins with the event Chairmen, Colan Arnold and Lindsay Wilson. Their energy, attitude, and leadership set the pace and tone for the week. Great job guys!! Working closely with Colan and Lindsay were all the event chiefs. They really formed the backbone of the event and richly deserve your thanks.

Some folks that may have been unknown and unseen by you, but were critically instrumental in making this event happen are our Kansas friends. Loren Pearson of the Kansas Region, David Stremming from the Metropolitan Topeka Airport Authority, and Wayne Bennett from the Topeka Convention and Visitors Bureau formed a triad that mobilized local resources to make your event more enjoyable. They were supported by the City of Topeka, the Kansas Region, the MTAA employees, and all the local sponsors listed on the following pages and in your service directory.

Last, but not least, are all the national event sponsors, beginning with Matt Edmonds of the Tire Rack. Without their support this event would not have been economically possible.

Please take a few moments over the coming weeks and send along an expression of your gratitude to all the folks above for all their contributions to this event and our sport.

We hope this event inspired you to be an active part of the sport as we begin our next twenty-five years!

Sincerely,

Tasha Goodale
