This flowchart is intended to summarize and offer a visual illustration of the Runoffs Qualification Paths. See GCR Section 3.7.4 for the official rule description.

## 2024 SCCA Runoffs Qualification Criteria

2024 Classes: AS, B-Spec, F600, FA, FC, FE2, FF, FV, EP, FP, HP, GT1, GT2, GT3, GTL, P1, P2, SM, SMX, SRF3, STL, STU, T1, T2, T3, T4

**DEFENDING NATIONAL CHAMPION** – The current defending National Champion may enter the Runoffs in the class(es) being defended, without meeting any of the below criteria. This provision may not be invoked two consecutive years in the same class, even if he/she repeats as a National Champion.

### U.S. Majors Tour Path (Includes 2+2)

You must complete each step of the path in the same class(es): Participate, Finish, Point Standings  
U.S. Majors Tour events may be any combination of Super Tours & Conference Majors

\* Note: There is no Pro Path in 2024.

#### PARTICIPATE (complete one of the grey boxes in full)

**3 Super Tours or Conference Majors** event weekends.

(Events may be in any Conference)

OR

**2 Hoosier Super Tours or Conference Majors** event weekends

**PLUS**

**2 Regional** event weekends  
(must be 4 total unique weekends)

#### RACE FINISHES

**Finish 3 Hoosier Super Tour or Conference Majors individual races.**

A FINISH is defined as completing at least half of the laps of the overall race winner.

A driver using the 2+2 path must still finish 3 Hoosier Super Tour or Conference Majors individual races.

#### POINT STANDINGS

**Finish in the TOP 50% of your class point standings of a Majors Conference or the Hoosier Super Tour.**

Drivers using the 2+2 path must still finish in the top 50% of your class point standings.

If your class has less than 20 participants, you must finish in the Top 10 of your class. If total number of drivers in a class is an odd number, we will round up to the nearest whole number.

For example: 31 drivers in AS in SE Conf, 16 drivers will be invited.

## Divisional Path (GCR 3.7.4.A.2)

*You must complete each step of the path: Participate and Point Standings*

### PARTICIPATE

#### Participate in minimum of 4 event weekends held in a single Division

*Must be in the same class, in a single division. Any U.S. Majors Tour event or Regional occurring in their home Division between the completion of the 2023 Runoffs and two weeks prior to the start of the 2024 Runoffs (Sept. 17, 2024) will count toward participation regardless of whether it is a divisional championship points race.*

*Excludes Enduros.*

### POINT STANDINGS

#### Finish in TOP 3 in class (Top 5 for SM/SRF3) of the Divisional Point Standings

Each division determines the points races in their division championship point standings.

Check your local division championship program for details.

*\*Top 50% for Central and Great Lakes Division for 2024, space permitting.*

#### FINE PRINT:

- *SCCA Regional Event Weekends:* Participation in 1 U.S. Majors Tour event weekend may be replaced or substituted with participation in 2 Regional event weekends, but you must still complete the Majors Path race finish and point standings portions of the qualification criteria. If a Region holds a Majors event with a Regional-sanctioned run group and a driver participates in both the Majors and Regional run group in the same Runoffs-eligible class, only Majors credit will be earned toward qualification. *Note:* Eligible Regional events for the 2+2 path must occur between after the completion of the 2023 Runoffs and September 17, 2024 and may be in any division. Excludes Enduros.
- **The SCCA Pro Racing Path has been discontinued for 2024.**
- The criteria contained in this document are minimum requirements.
- “Participate” is defined as turning a wheel on track in an official session (practice, qualifying, warm-up, race) and appearing in the Official Race Results.
