SPECIAL PRICING

On USED Equipment

- *As an SCCA member, you are entitled to discount pricing on a variety of USED MIG/TIG/Plasma equipment that has been on demo with our NASCAR, IndyCar and NHRA consignment teams.*
- *Our equipment list is constantly changing and USED prices can range anywhere from 20% - 40% off of suggested list prices.*
- *Most equipment is 1-3 years old and is in good condition. Equipment is given a visual inspection and comes with the remainder of the factory warranty or a 90-day warranty (if over 3 years old).*
- *Equipment is located at our warehouse in Cleveland, Ohio. Shipping is prepaid for orders shipping to the lower 48 USA states.*
