## SITE RESTRICTIONS/INFORMATION:

- Site address: 7518 Innovation Way, Bunker Hill, IN 46914
- Arrival instructions: Using the intersection function on your GPS, set it to S Innovation Way & S Airtech Dr. You are going to want to enter the site from S Airtech Dr
- Google Maps link, Entrance Intersection
- Camping is NOT available on site, but you can dry camp at the Air Museum on the Grissom Airbase for $10/night Thursday -Saturday. All proceeds go to the Grissom Air Museum. The museum is also an excellent "tourist" thing to do while you're in the area.
- NO alcohol on site
- If you're looking to drop off a trailer on Thursday, you can. Just note that this must be completed *before 5pm*.
- Everyone must be off-site no later than **8pm**. Gates reopen each morning at 6:30am.
- The Region will be hosting a test-n-tune on Friday from 11am-3pm. Tickets are on sale from 10:30am-2pm at the host trailer; cash only. 1 run for $4 or 3 runs for $10.

- Need tire service? New numbers? Tire gauge, etc? **SPS** will be set up for the weekend!
- There are a couple of options for food close to the site – look for Subway, The Dutch Café, or Los Primos Grill and Bar. All are within about 5 minutes from the site.
- If you're looking for coffee on the way in, the aforementioned Dutch Café is going to be your spot closest to the site.
- If you're looking a little further away, look in Kokomo, IN! It is still only about 15 mins south of Grissom and you can find just about anything there for food and overnight stays.
- If you need to find electrical chargers or E85, check out this website: https://afdc.energy.gov/fuels/electricity_locations.html#/find/nearest?fuel=ELEC but it appears the closest gas stations are going to be the BP next to the Subway and a Marathon if you're headed north.
