		Equipment Managers:	Jason Lee/Ralph Elder

SITE RESTRICTIONS/INFORMATION:

- ***ENTRY GATE:*** *We will be using **Gate 5** (directly off of Las Vegas Blvd) for site entry this year. If you've attended in the past, our normal entry point was Gate 4/Checkered Flag Ln. Gate 5 should be the first break in the fencing past the normal entry point (headed north on Las Vegas Blvd) as you're heading towards our lot. There are several other events happening at LVMS this weekend, so please be sure to use **Gate 5** for entry.*
- ***PARKING:*** *Please do not park along any fencing. That area needs to remain open for traffic.*
- ***CAMPING****: Camping is allowed, parking on the RV Hill above the Metro Lot*
- ***PADDOCK:*** *The paddock area has been expanded from prior years. (See site map on the event page.) Note that the lower paddock area is limited to larger RVs and special access needs. Please consult with region for help.*
- ***HEAT ADVISORY:*** *Las Vegas is under an extreme heat watch beginning Thursday and running through the weekend. Please prepare and take care of yourselves appropriately. Please also look out for your fellow competitors throughout the weekend to make sure they are also remaining hydrated/seeking shade/etc.*
- ***Storage between Las Vegas ProSolo's:*** *similar to what was offered last year, the storage area is the RV Hill that is up above the competition lot. Anything you store there will be inaccessible until the Friday morning of Pro #2. Reservations are not available, but there is a fair amount of room. There is no extra security and the gate on the access road to Las Vegas Boulevard is open during the day. LMS has general roaming security during regular hours of operation. If you take advantage of this storage, remember that you will not have access to anything left there until Friday morning of Pro #2, so plan accordingly!*
