***SITE RESTRICTIONS/INFORMATION:***

- Event Page link: https://www.scca.com/events/2009115-2026-tire-rack-scca-toledo-prosolo-toledo-express-airport
- Site address: set your GPS to intersection function and use the intersection of Highway 20A & Air Cargo Pkwy, Swanton, OH, 43558 or use the GPS Coordinates for the site entrance: 41.58071066204356, -83.81715554078468.
- Google Maps Link (pin dropped at the site entrance)
    - If the link doesn't want to cooperate, search "Toledo AX Site Alternate Entrance" in Google Maps and it should come up for you!
- **Site opens at 9am on Friday.**
- **When arriving,** before turning into the site, traffic will back up on the road. Please try to stay on the shoulder as much as possible – people need to get past the gate to get to their jobs just down the street.
- **Welcome Party Friday night!** Join the NWOR team Friday evening for a bite to eat and to hang out with your ProSolo friends from across the country before competition begins on Saturday!
- Camping is NOT allowed on-site. If you haven't yet secured a camping spot, check out Superior Made RV Resort, Bluegrass Campground or Twin Acres Campground. Superior Made probably being the most popular.
- Alcohol is NOT allowed on site.
- All vehicles are subject to search by airport police or Air National Guard MPs.
- There are red cones blocking off the access to the taxi way. Please STAY AWAY from these areas. Keeping a wide berth around these areas would also be appreciated by airport security.

- Additionally, there are concrete barriers & sometimes planes parked down at the east end of the concrete. Also STAY AWAY from this area.
- Everyone MUST be off site by 7pm. **When leaving each night**, please take down canopies, throw away any trash & secure anything that could move in the wind. We're autocrossing on an active airport with F16s lying around so any FOD near the aircraft could be very dangerous.
- Big-C's BBQ, a staple of an NWOR local event, will be on-site Saturday and Sunday with their normal menu. They may also be serving their breakfast sandwiches in the morning. If you're a breakfast sandwich aficionado check in early, as they will go *fast*.
- **Practice Start Info**
    - At Toledo, we will again be running the practice starts to provide a full system check ahead of the competition, please take note!
    - First, the ticket takers will be scanning your helmet when you come to the line. If at all possible, please have accurate numbers on the car since we are trying to also track that inside the trailer.
    - Also, to maximize the time allocated for practice starts, we are hoping to arrange workers ahead of time. For this event, we are looking for more workers than usual. Workers will work an hour and receive 4 free practice starts. We are looking for the following:
        - **Announcers**- 3pm, 4pm 5pm (if you've ever wanted to give announcing a try, now is your chance!)
        - **Ticket takers (scanner)**- 3pm, 4pm, 5pm
        - **Computer Operator**- 3pm, 4pm, 5pm
    - ***Email Charina Jones to secure your spot and 4 free practice starts, charinahansen13@gmail.com; positions will fill in the order requests are received.***
