SITE RESTRICTIONS/INFORMATION:

- Camping is allowed. It is free to camp in the paddock. However, if you want power hookups, you must reserve a spot with the Speedway directly. Contact the ticket office at 770-946-4211, ask for the Club One Campground, and refer to the "SCCA National Meet" to make reservations.
    - Site security: There are 3 gates into the grid/paddock/course areas, all of which will be blocked or dummy locked overnight. However, the only thing that separates the site from the public is a curb and sidewalk. While people will be staying on site, you may want to make sure tools and such are not left out overnight.
    - The restroom building (across Outer Perimeter Rd from Paddock) also has showers with hot water. In addition to the restroom building, you should also find portajohns in the grid area.
- There will be a spectator area set up between the paddock and course areas with EZUps to help provide shade. If you set up EZUps, please remember to weigh them down!
- **Welcome party!** The Atlanta Region will be hosting a welcome party on Friday evening in the RV reserved area by Grid/Impound, so make sure you stop by, grab a plate, and spend some time with your friends from around the country! Be sure to pack a chair to ensure you'll have a place to sit!
- There will NOT be food on site during competition days. Nearby food options include Wendys, Waffle House, a Caribbean restaurant, and across the street are pizza & Mexican restaurants.
- For dinner, check out Wing Ranch…for you guessed it, some wings awesome enough to put 'em in the name. They're closed on Sunday, so plan accordingly. There are also plenty of food options back up by the interstate.
