Definitions and Key

* – Indicates a trophy position.

dnf – Indicates "Did Not Finish." usually a deviation from the prescribed course.

DNR – Indicates "Did Not Run."

p1, p2 etc. – Indicates that pylons were displaced during the run, the number indicates the quantity of pylons included in the listed time (2 seconds for each).

disq. – Indicates the car was disqualified by the Protest Committee of the Appeals Board.

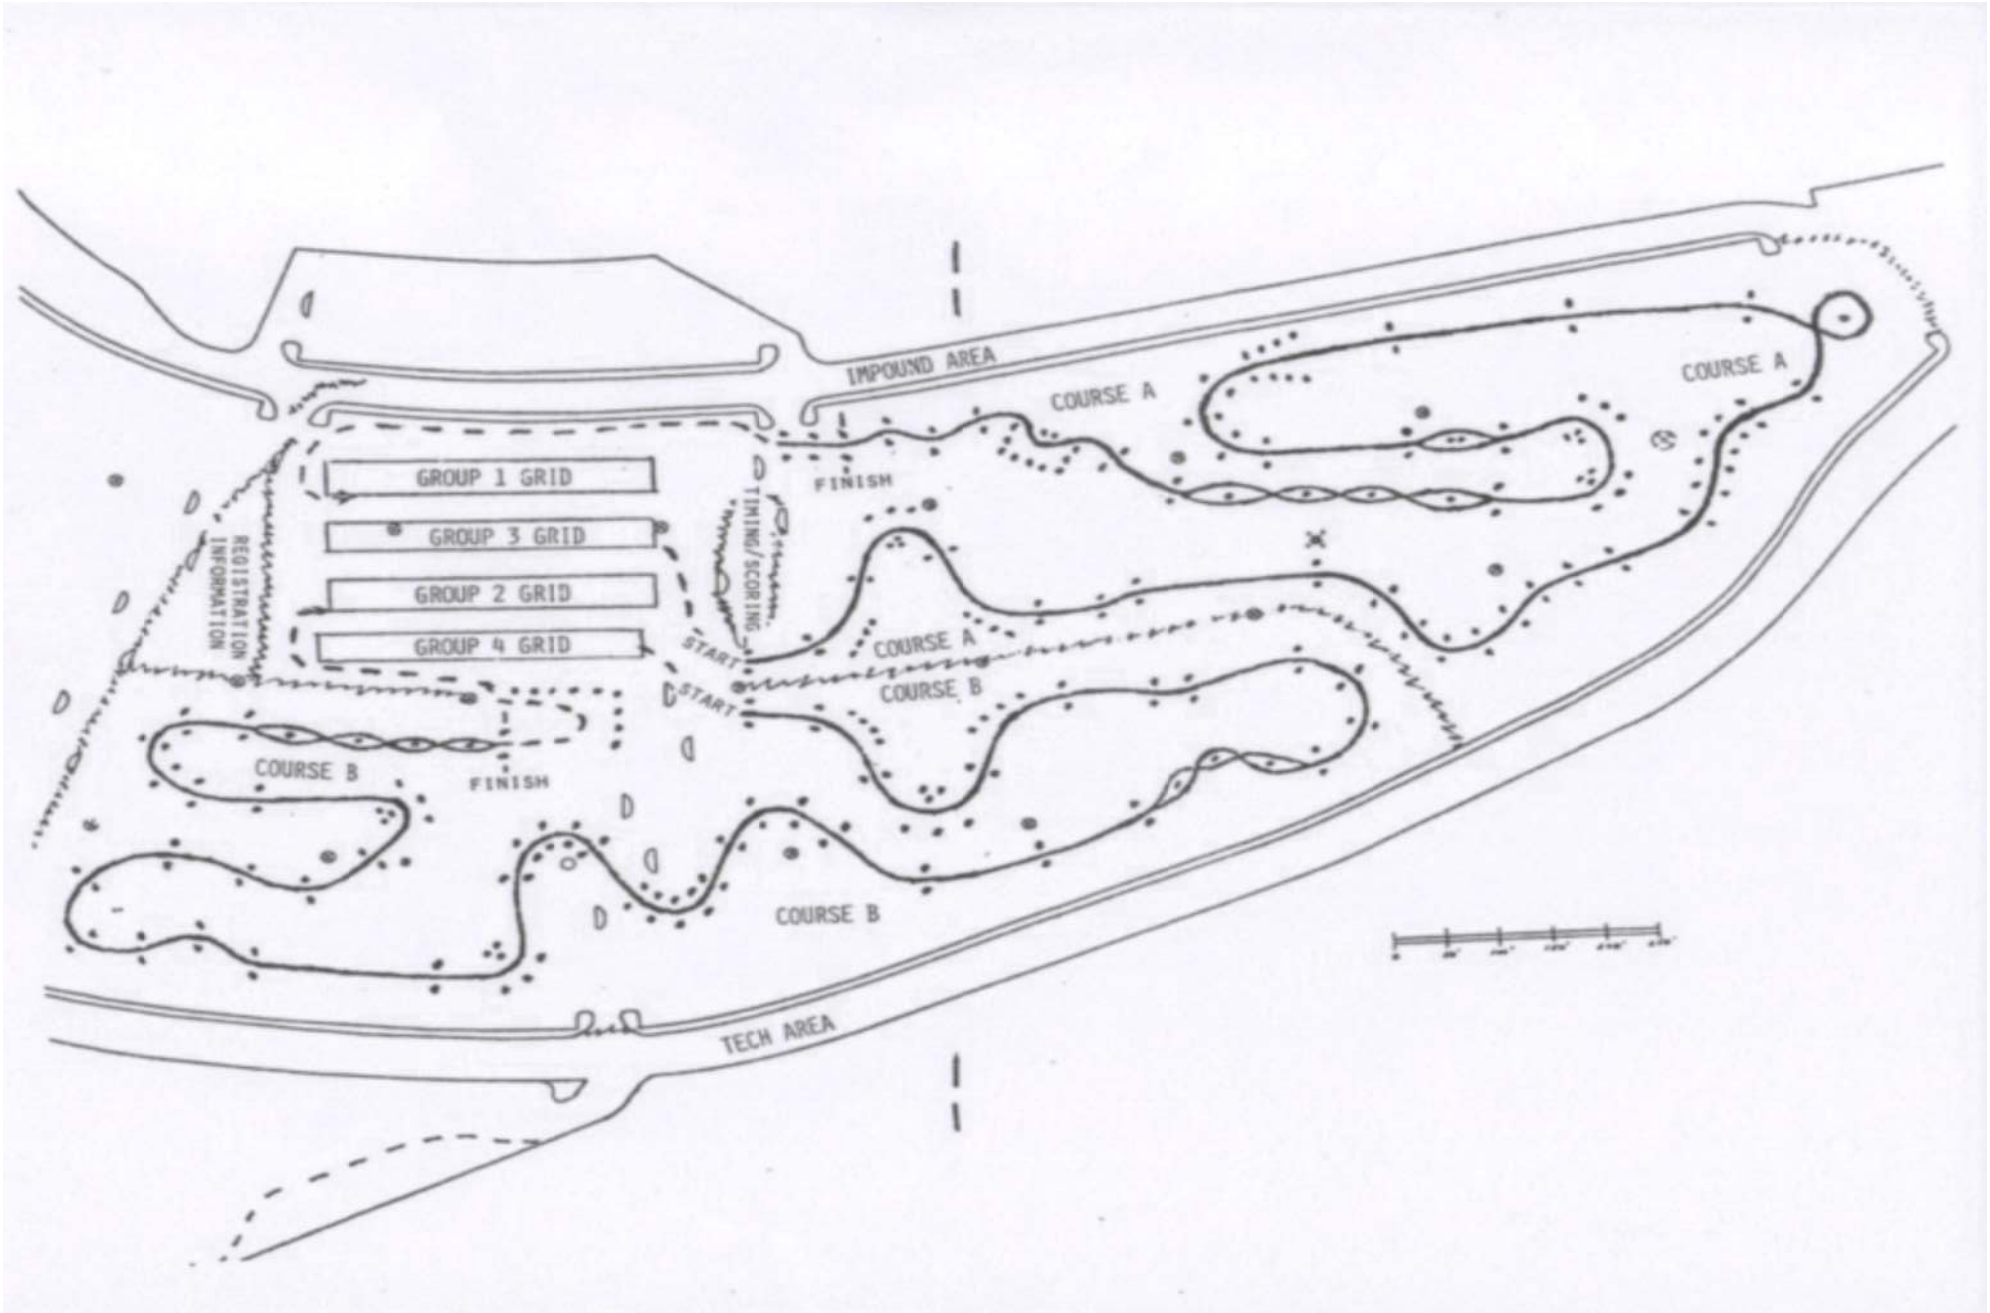

—— – Indicates no finishing position because the driver did not run the event.

A driver's best time on each course is shown in bold face type

All times are shown in total seconds.

– Indicates a driver did not run or scored a DNF on all of his runs on a given course, the total time was computed by using the slowest best time scored in that class for the course involved and then adding two (2) seconds to that time.
