Congratulations to everyone who ventured to the Land of Ahs in mid-September for the 1985 SCCA/Yokohama Solo II National Championships. By now, you should be aware that you were part of the largest motorsport event in SCCA history. In spite of the sun, wind, rain and cold the event was a huge success for all.

The Yokohama Tire Company deserves a huge round of applause for its support of Solo II during 1985 and especially for its effort at the 1985 Solo II Nationals.

The event was sanctioned by Saginaw Valley Region but a small region like Saginaw couldn't have put the event on without help from alot of friends. By the competitors from coast to coast and border to border helping, the 1985 event became a success. We, the organizers, want to take this opportunity to thank everyone for their help and support to make the 1985 SCCA/Yokohama Solo II Nationals the best ever.

Thank you!
