VALVOLINE PRO SOLO CHAMPIONSHIP

Valvoline PROSOLO CHAMPIONSHIP SERIES

Finale, September 14-15, 1991
Salina, Kansas

Dear Yokohama Solo II Nationals Competitor,

We hope you enjoyed your stay in Salina and that the event was as much fun for you as it was for us. When all is said and done, fun is what it's all about!

In order to make the 20th anniversary event next year even better, we need your help. Be sure to send in your event evaluation form, the event survey and any other thoughts you may have on what was right or wrong. Also any ideas on how to best acknowledge the 20th year of the Solo II Nationals.

Because of all the confusion about mugs, dash plaques and where to turn in your survey at the event, we will mail your dash plaque after we receive your survey. This little bit of effort on your part <u>will</u> make a difference.

One other thing you could do that would be very much appreciated would be to drop a note to the Salina Airport Authority expressing your gratitude for their daily repair and sweeping. These guys really went the extra mile every night. Direct your comments to: Tim Rogers, Salina Airport Authority Executive Director, Salina Municipal Airport, Terminal Building #120, Salina, KS 67401.

Again, we hope you had a great time and will join us in making the 20th year the best ever.

Sincerely,

Tasha Goodale

Valvoline

In 1990, Al Unser Jr. dominated the Indy Car circuit. What few people know is that in victory after victory, he was actually testing an important **new** 100% synthetic* lubricant: Valvoline® High Performance Synthetic Racing Motor Oil.

The Unser Tests demonstrated THE MOTOR OIL IS SYNTHETIC.

THE RESULTS ARE RICA
