September 13, 1995

Dear National Solo II Participants,

We would like to take this opportunity to thank you for attending the SCCA *Tire Rack* Solo II National Championship and for all your help in making this first year in Topeka a success.

However, there are some competitors who deserve an extra thank you for all their hard work during the event, specifically Colan Arnold and Andy Andrews, Co-Chairmen and all the Chiefs. Please let these folks know how much you appreciate their contribution to our sport as you see them over the coming months.

And last but not least are the people of Topeka, including local businesses, city and government agencies, as well as the Kansas Region of the SCCA. Their involvement is an integral part of the success of this event. Please take time to send a note of appreciation to our hosts.

We hope you enjoyed this event and will continue to be a part of the National Solo II scene in 1996.

Sincerely,

Tasha Goodale

The Tire Rack Solo II National Championship

1995 is certainly a milestone in the growth of SCCA's Solo II National Championship -- the re-location to a new site in Topeka, a new Title Sponsor, the Tire Rack, and a record breaking entry of 784 drivers!

Besides your enthusiasm and the contributions of the Chiefs and Workers, a number of companies assist in making this a great event for the drivers. Please take a few moments to write a thank you note to The Tire Rack, contingency suppliers and other companies which support your sport.

SCCA extends a special
THANK YOU
