SCCA®

September 1998

Dear National Solo II Participants,

We would like to take this opportunity to thank you for competing in the 1998 Tire Rack® SCCA Solo II National Championship. Again, this year was a memorable week as 880 drivers came to Topeka to enjoy the competition and camaraderie.

What made it especially memorable was the sense of cooperation and spirit shown by those attending in making the event a success. Without everyone of you pitching in, the event would have been considerably different.

However, there are some competitors who deserve an extra thank you for all their hard work during the event, specifically Paula and Nick Leverone, Co-Chairmen and all the Chiefs. Please let these folks know how much you appreciate their contribution to our sport as you see them over the coming months.

Some of the people that may have been unknown and unseen by you, but were instrumental in making this event happen are the people of Topeka. Col. Loren Pearson of the Kansas Region, David Stremming from the Metropolitan Topeka Airport Authority, Wayne Bennett from the Topeka Convention and Visitors Bureau, and the City of Topeka.

Last, but not least, are the national event sponsors, beginning with Matt Edmonds of the Tire Rack. Without their support this event would not have been economically possible.

Please take a few moments over the coming weeks and send along an expression of your gratitude to all the folks above for all their contributions to this event and our sport.

We hope you enjoyed this event and will continue to be a part of the National Solo scene in 1999.

Sincerely,

Tasha Goodale

1998 TIRE RACK SCCA SOLO II NATIONAL CHAMPIONSHIP
PROTEST/APPEAL SUMMARIES

AS #17, Paul Kozlak, protested Timing and Scoring for allowing AS #19, Matt Murray, an improper rerun. Timing and Scoring allowed a rerun because they could not verify the validity of the first run. **Protest Disallowed. Protest fee returned.**

HS #49, Scott Hearne, protested HS #39/139, Russell Blume/Ron Williams, for improper wheel offset. **Protest upheld. Competitors disqualified. Protest fee returned.**

CSP #81, Victor Lutan, protested CSP #27/127 Tom Smith/Tom Berry for having an unauthorized auxiliary fuel tank. The committee ruled that the component in question was not an authorized modification as defined by 14.10.G. **Protest upheld. Competitors disqualified. Protest fee retained.** CSP #27/127 filed an intent to appeal. **The Appeal Committee upheld the appeal and disallowed the original protest. Appeal fee returned.** This ruling was based on the inherent broad nature of the term "unrestricted" contained in Section 14.10.G., without a qualifying phrase such as "may serve no other purpose". The Appeals Committee (SEB) advises all competitors that this open ended rule will be made more restrictive through a rule change or clarification for 1999.

CSP #6, John Hayes, protested CSP #38, Tom Ellam, for 1) addition of an improper auxiliary fuel tank, 2) removal of oil metering rod, 3) removal of trunk panel. Committee ruled that component in item #1 was not allowed as per Section 14.10.G. Item #2 was in violation of Section 14.10.A and Appendix G. Item #3 found to be removed. **Protest upheld. Competitor disqualified for items #1 and #2. A warning to replace the panel before next event for item #3. Protest fee returned.** CSP #38 filed an intent to appeal items 1 and 2. **The Appeal Committee upheld the appeal and disallowed the original protest. Appeal Fee returned.** This ruling was based on CSP #38 having retained the "standard type lubricating system" as required by Section 14.10.A., with the word "type" being the key word. Additionally, as per Appendix G, the arrangement was maintained of injecting oil into the fuel system. The metering was changed from variable to fixed, but the specifically listed component of an "oil line" was retained as well as the function of "... injecting oil into the fuel system...".

DP #29/129, Chuck Sample/Kendall Jones, protested DP #40/140, Larry Imbeau/Chris Imbeau, for an improper cylinder head. Committed ruled that the protest was not filed in a timely manner, as per Section 8.3.8. **Protest disallowed. Protest fee returned.**

Impound filed a protest against FM #127, Clint McMahan, for being underweight based on vehicle's wheelbase. **Protest upheld. Penalty of 2 seconds added to total time.** (1 second added to each run)
