Name-Protestor	Car	Class	Make/Model
James Yam	99	SS	Porsche GT3

I am a [X] Competitor [ ] Chief Steward [ ] Chief of Impound [X] Timing & Scoring

I do hereby protest the following car: (fill in below)

Name-Protestee	Car	Class	Make/Model

I hereby charge violation of Paragraph 20.10.H.15 of the Rulebook:

Specifically:
The staging and start area is set up incorrectly. The staging "chute" is too short. The announcer vehicle sits only a few feet away from the commit cone. My car is low and I cannot see over to the other side. By the time I pulled up and notized the wrong competitor, I was already passed the cones. With a 15 second shot clock, its too quick to make a decision to stage or not.
(Add additional sheets and documentation as necessary)

I have including the following protest fee: -(Check box below)

Comments/ Penalty Imposed:
There is no responsibility of the competitor to stay paired up, However, the rules are quite clear that once passed the commit cones, they are obligated to stage and complete their run. While we agree that the visibility between the two lanes because there is no rule enforcing pairing and the better of the rule was clearly broken, we cannot reverse the DNS penalty.

I hereby charge violation of Paragraph 20.10.H.15 of the Rulebook:

Specifically:
The staging and start area is set up incorrectly. The staging "chute" is too short. The announcee vehicle sits only a few feet away from the commit cone. My car is low and I cannot see over to the other side. By the time I pulled up and noticed the wrong competitor, I was already passed the cones. With a 15 second shot clock, its too quick to make a decision to stage or not.

RE: Fontana ProSolo – James Yom Protest Appeal

DATE OF THE APPEAL - The ProSolo Appeals committee; Jason Tipple, Steve Hudson, and Daniel McCelvey appointed by Director of Solo Rick Myers, met on April 28, 2022, to review the evidence, hear testimony, and render a decision on the appeal.

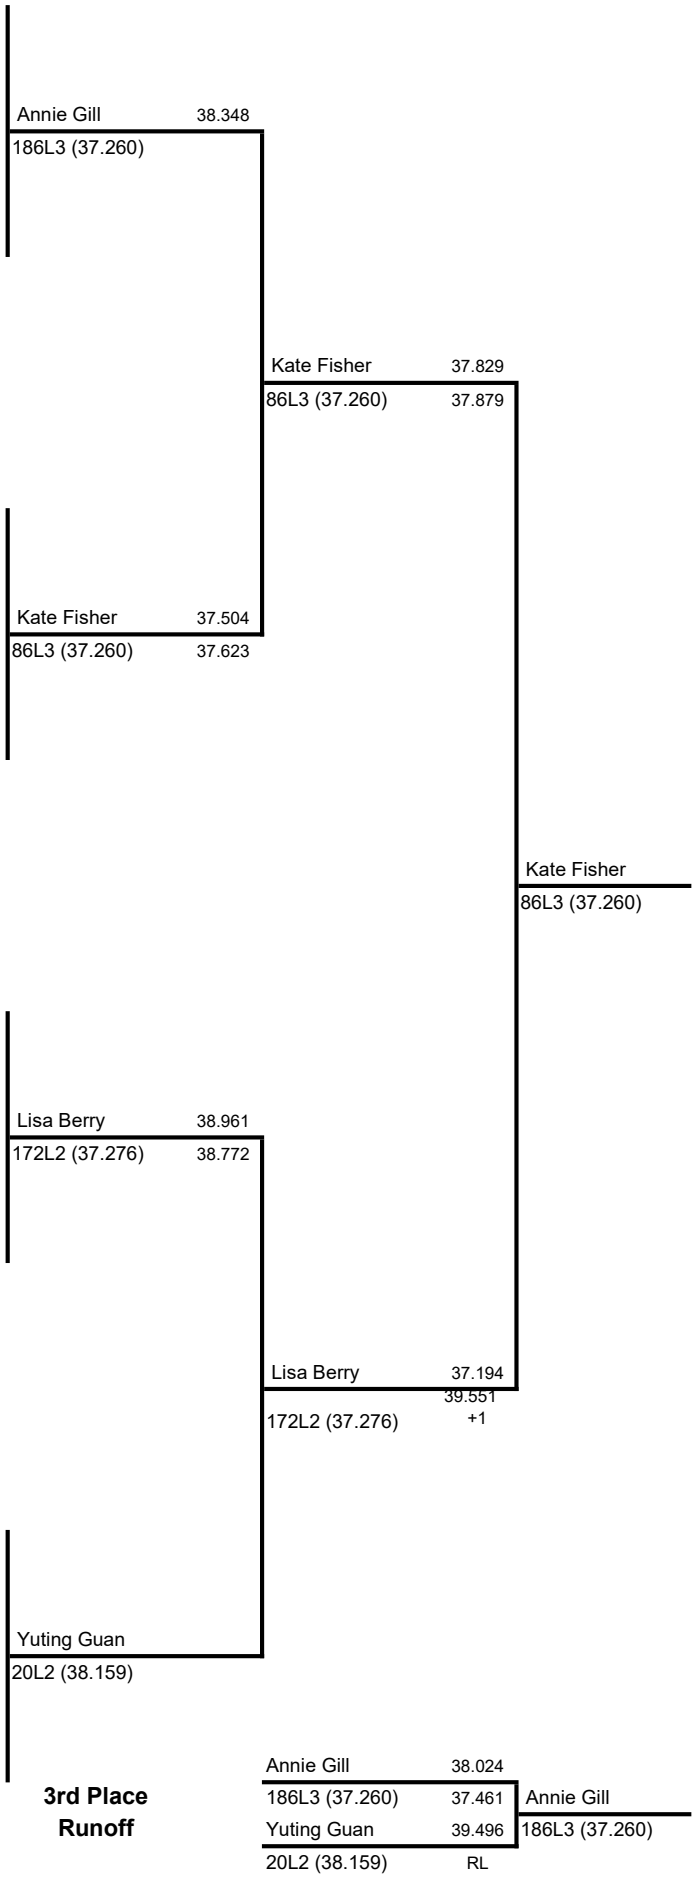

DOCUMENTS AND OTHER EVIDENCE RECEIVED AND REVIEWED – Original Protest and Protest Committee determination, Letter of appeal from Mr. Yom, event site photos from Mr. Yom, video footage from SCCA ProSolo camera mounted on top of timing trailer, and footage from in car camera of Mr. McCelvey from Beeville ProSolo event.

FINDINGS - Per 20.10.H.15, “approximately 15’ before the Pre-Stage beams will be a gate of large cones that designates the Final Stage area….”. The actual course measurement taken at the Fontana ProSolo event for the “commit cones” was 24’6”, falling outside of “approximately 15 feet” set forth in the 2022 ProSolo Rule Book

DECISION - The placement of commit cones at the 2022 Fontana ProSolo were not within the specified approximate 15 feet spacing and were set at 24 1/2 feet from the staging lights. This did not allow proper spacing to visually stay paired up during normal class competition runs. The appeals committee has found their judgment in favor of reinstating James Yom's last timed run in normal competition. The appeal is well founded and the appeal fees, less the administrative amount retained by SCCA, will be returned. The PS Appeals Committee recommends, based on recognizing the final run, Mr. Yom be awarded first in S3 class for points and that appropriate attention be given to future events to ensure “commit cones” are place as set forth in the rules.
