The committee finds that competitor in 99 S4 was red flagged for an issue on course. Typically, a rerun would have been granted to 99 S4 by a ProSolo Official. Accordingly, the procedure described in 20.10.J would be followed.

"If the rerun is on the same side as the last "regular" run, the driver will make the rerun from the 2nd driver grid at the direction of a Grid Official. A minimum of three (3) minutes must have elapsed before a competitor may begin a rerun on the course just completed (from the 2nd driver grid). In any case, the driver must be directed by a Grid Official to make a rerun. Failure to do so may result in forfeiting that run or a future run."

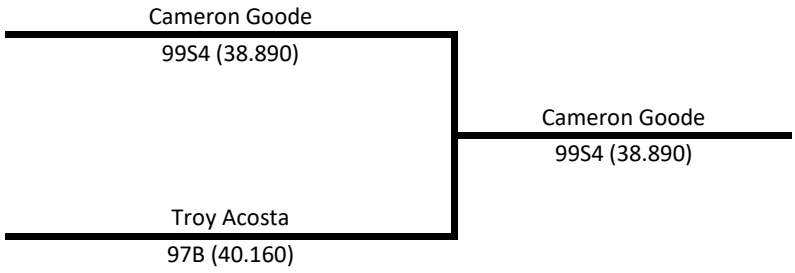

The competitor in 99 S4 was directed to the stage lanes by a Grid Official in error. The competitor should have questioned the error as it was contrary to the rule.

Grid Officials are not ProSolo Officials (see 20.4) and do not have the authority to circumvent the rule.

All competitors have the responsibility of "knowing the rules". The rerun procedure was not followed and therefore the time associated with improper run was invalidated.
