Protest Filed by:	**Protest against:**
Kerry Gonzales	**Moore**
CAMS - 99 - Corvette	**CAMS - 33 - Corvette**

Section Protested: CAM section Body Allowance

Protest Description:

The 33/133 car is missing it's rear bumper and quarter panel which does not present a "finished" exterior look in violation of the body allowance rule.

Protest Committee Decision:

In the opinion of the protest committee, the car does not meet the spirit of the body allowance rule (appendix B body allowance bullet point 4 - must have "finished look"). Although there appears to be no performance advantage, the PC is imposing a penalty of one second on each run for each driver today. If the the protestee makes a good faith effort to address appearance for tomorrow, additional penalties will not be applied. However if car is run in current configuration, a penalty of 2 seconds each run each driver shall be applied.

RE: CAM-S #33/#133 Marshall Moore/Zachary Moore Appeal

FINDINGS OF THE PROTEST COMMITTEE (PC) - At the Solo National Championships on 9/8/22 Kerry Gonzales protested the CAMS #33/#133 Corvette of Marshall Moore and Zachary Moore for missing a portion of its rear bumper and quarter panel and therefore not presenting a finished look. (Cam Rules – Body Allowances bullet point 2 “Interior and exterior must have a “finished” look.”

The PC agreed with the protestor. A one second penalty was assessed on each day one run for each driver. The drivers made a good faith effort to address the appearance of the car and no penalties were assessed for day 2.

DATE OF THE APPEAL - The Solo National Appeals Committee (NAC), Jeff Cashmore, Steve Hudson and Doug Wille, met on September 26, 2022, to review the evidence, and render a decision on the appeal. Also on the call were Zack Barnes, Bob Davis, Brian Mason and Rick Myers

DOCUMENTS AND OTHER EVIDENCE RECEIVED AND REVIEWED - Letter of appeal and supporting photographs from Mr. Moore. Testimony from Zack Barnes and Brian Mason.

FINDINGS - Per the Cam rule sheet we find the car non-compliant.

DECISION - The NAC upholds the PC decision in its entirety. The appeal is well founded and the appeal fee, less the administrative amount retained by SCCA, will be returned.

Protest Filed by:	Protest against:
Nicholas Aleksei Pasternack	Timing and scoring
DM - 56 - Not a jeep	- -

Section Protested: N/A

Protest Description:

Protest is being filed to contest two cones called on 56 d mod at station 1 on the east course during a run 1 rerun. The two cones marked on the sheet were clearly hit during the red flag run which is shown on video. Course workers at station 1 indicated cones 112 and 114 we're not hit on the rerun. There is video evidence to support this. Please pull camera data from timing and scoring trailer. I also have video from the car behind showing a course worker checking a cone, but neither cone noted on the corner sheet. There were twenty plus witnesses to this run, all of whom have stated they did not observe a cone down at station 1. No cone call came through announce, live timing did not update to show the time or the cones in a reasonable period. Protest could not be filed in the 30 minute provisional period because the original red flag time showed on solo live until the end of second runs. Could not check corner sheet until after weighing and proceeding to impound. Upon notifying stewards of a perceived problem, rather than offering remedy via protest during the provisional period, I was asked for evidence which could not be produced during the provisional period. This protest could have been filed much sooner if this virtual form was more available and if stewards were instructed as to the uniform process for protesting contested times and cones. Hence protesting timing and scoring. Please interview course workers, review in car video, chase car video, trailer photo/video. Video evidence will be uploaded to onedrive today in this folder: https://netorg781621-my.sharepoint.com/:f:/g/personal/npasternack_qualityrisk_com/EhN13Hb7ErxPjkeJXeDUnM4BYmviktN0hPYFtmT_kTlnow?e=0bWCEG

Protest Committee Decision:

Protest determined to be well founded, protest fee shall be returned.
The protest committee interviewed corner workers, reviewed the timing sheets including corner sheets, and reviewed video from camera located on top of timing trailer. Corner logs indicated car hit cones 112, and 124 (not 114 as previously indicated). Video clearly shows cone 112 being hit. Video was not conclusive on cone 124, but entrant does not contest that cone.
