Hoosier Super Tour Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on June 2nd to the 4th of 2023. The weekend consisted of eight (8) race groups. The races used a sanction number of 23-ST-59453.

On Friday, each race group had a 25 minute qualifying session. Group 2, 5, and 8 all had their sessions ended early under a black flag all. Due to a high volume of track limits violations, group 2 and 3 had their entire session disqualified. The first qualifying session (except group 2 and 3) set the grid for the second 25 minute qualifying session for each race group. Groups 1 through 5 ran on Friday afternoon and groups 6-8 had a Saturday morning session. The combined qualifying sessions set the race grids. Group 1 through 3 ran their 25 minute timed race before lunch. After a lunch break, the following race groups had their 25 minute races as well. Group 2 had their race ended early. On Sunday, each race group had a 35 minute or 14 lap distance race for each race group, whichever came first. The race grid was based upon a merge of the best time from the qualifying sessions and race one. Group 2 had a timed race. All other groups ran the 14 lap distance.

The timing and scoring group was staffed with 9 on Friday and 11 on Saturday and Sunday. It was great to see Bill and Carol from the national series, and the local team did an awesome job. We had two new recruits, and we hope to see them again soon.
