Protest Filed: June 24, 2023 15:13:44
Protest Filed by: James Yom 192 B

Protest of Sound Procedures during Saturday competition

Protest Description:

Sound logs for morning runs were not posted anywhere all morning nor during the lunch time break. It was not posted as of worker check in time for afternoon runs. With no logs present, a competitor cannot see whether they did violate sound and by what amount and is not afforded the opportunity to make modifications to the car nor to file a protest about sound if the competitor needs to. Without timely publication of the sound logs, sound cannot be enforced. I ask that the morning sound enforcement be tossed out.

Protest Committee Decision:
The Protest Committee met the afternoon of Saturday, June 24, 2023, in response to a protest brought forward by James Yom with respect to Sound Rules, Appendix H.

The Prosolo rules refer to the 2023 SCCA National Solo Rules, Appendix H for sound measurement and procedures. Appendix H does not require sound logs to be made available to participants or be posted at specific times, only that the sound steward notify the competitor before the next run.

It was discussed that while tour events utilize sweep cars to post sound throughout the heats for participants, ProSolo does not. Therefore, the sound readings are not collected and posted in the same manner, as a competitor may expect.

After interviewing the protester and the sound steward, it was determined that the protester was notified, verbally, in a timely manner by the sound steward about his violation per the rules in Appendix H. The committee does recognize that it would be helpful for readings to be made available between ProSolo sessions, although not required. The committee ruled that the sound violation will be upheld and suggested the sound steward attempt to collect the logs from workers as they changed shifts to help drivers.

Findings:

The protest is well founded.

Protest Chair: Laurie McCelvey
Protest Committee: Brad Smith, Ryan Otis
SEB Representative: Mark Scroggs
National Staff: Rick Myers

Signed: *Laurie McCelvey*

Protest Filed by: Craig Wilcox 98 S1

Protest of Sound Procedures during Saturday competition

Protest Description:

Joe Silva and I both had an issue with sound on session 1 with a registered 101.4 for myself. We packed steel wool inside of the exhaust downturn with a cone insert to help quiet the exhaust. Both of Joe's right side runs registered a 97.5 and my first right side run was also a 97.5. For unknown reasons, my 2nd right side registered a 101.4. We verified that all of the steel wool packing material is still present. Considering that 3 runs produced the same DB reading, that 4th run should be considered an outlier and discarded. We worked the entire break and did our best to make sure we corrected the issue. Unfortunately, we are either working or running since there are only 2 heats. We will take additional steps to help quiet the exhaust down just to be safe for tomorrow. Thank you for your consideration with my appeal/protest of the sound reading during my one afternoon run in question.

Protest Committee Decision:
The Protest Committee met the afternoon of Saturday, June 24, 2023, in response to a protest brought forward by Craig Wilcox with respect to Sound Rules, Appendix H.

After assessing the meter placement, the committee determined it did not meet the minimum 50ft from edge of course requirement. Due to the error in location, the sound readings from Saturday morning and afternoon sessions cannot be enforced. All sound readings and violations prior to Sunday morning will be reset for all drivers and the protesters will have their Saturday afternoon runs reinstated. The meter was relocated for Sunday morning to be at least 50ft from the outer edge of course.

Findings:

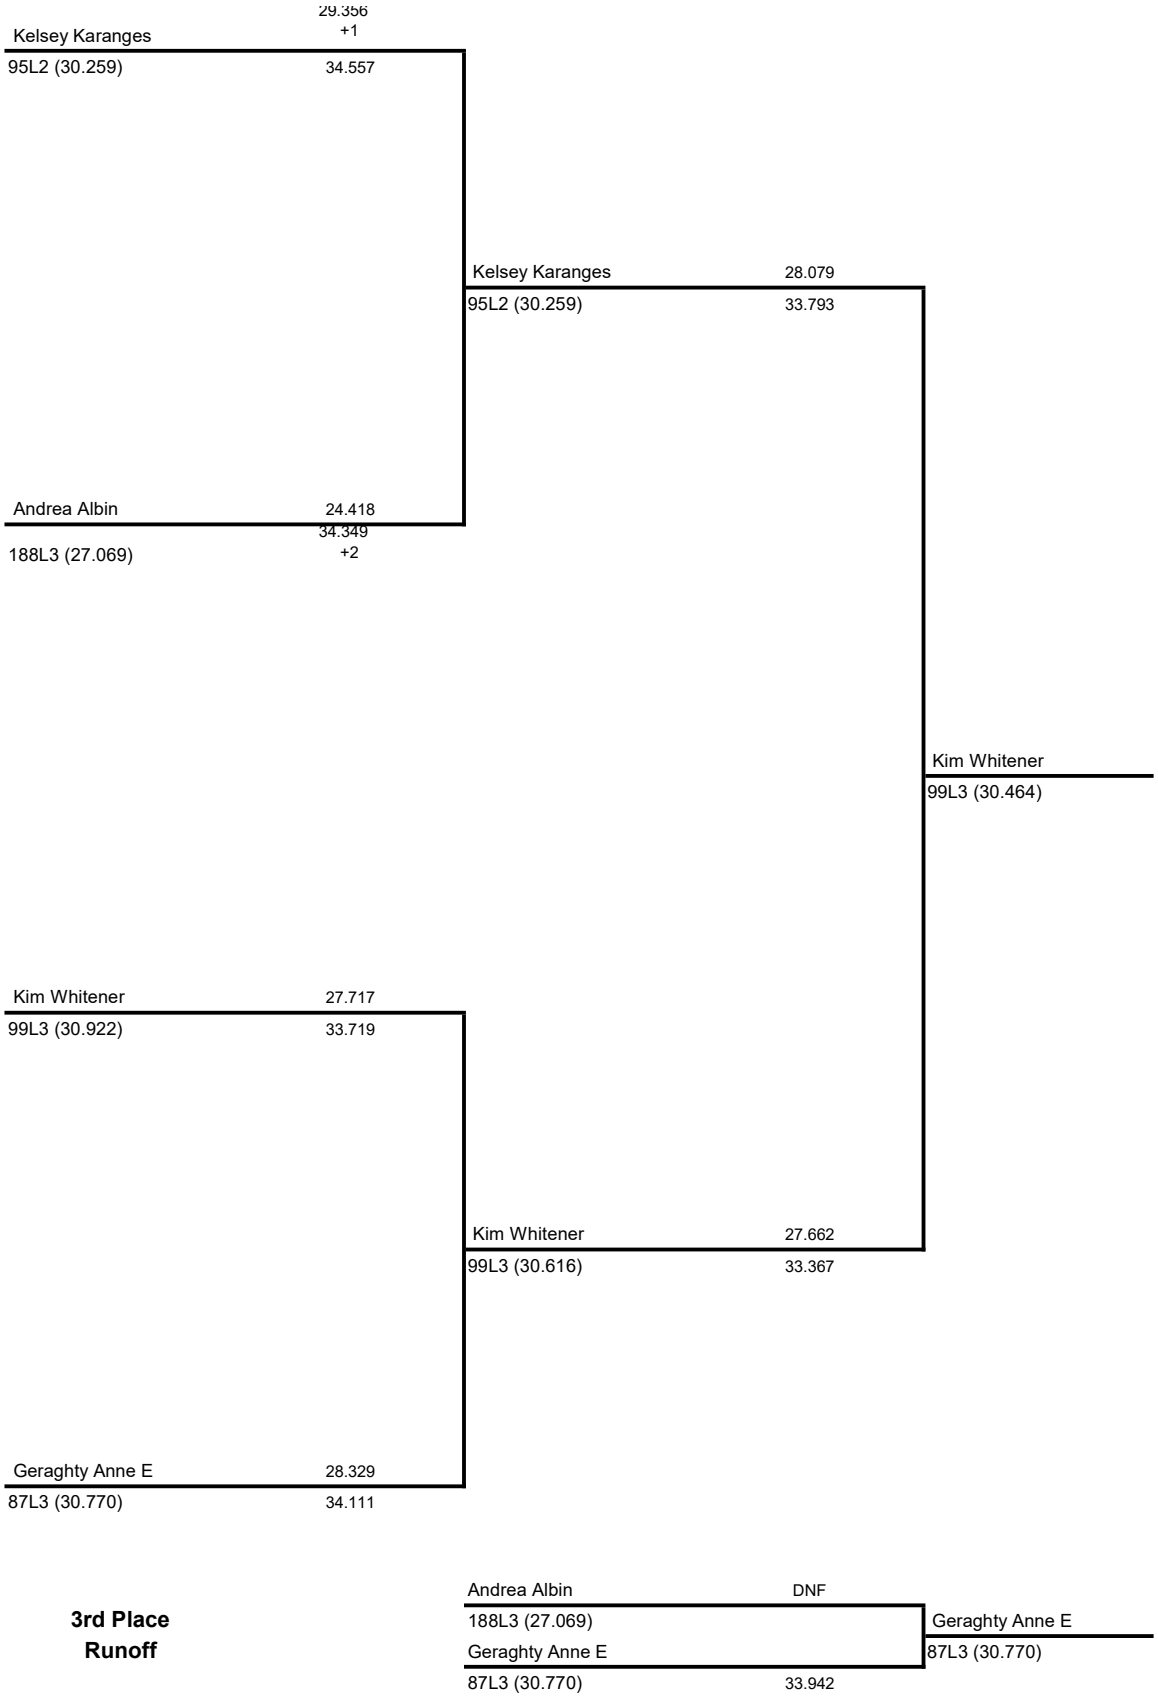

The protest is well founded.

Protest Chair: Laurie McCelvey
Protest Committee: Brad Smith, Ryan Otis
SEB Representative: Mark Scroggs
National Staff: Rick Myers

Signed: *Laurie McCelvey*
