Hoosier Super Tour Races

The event was held at Watkins Glen International, with all sessions run on the "long" 3.4 mile course. The event occurred on May 31st, June 1st, and June 2nd of 2024. The weekend consisted of eight (8) race groups. The races used a sanction number of 24-ST-61845.

On Friday morning, each race group had a 25 minute practice session, but most only ran around 20 to 21 minutes. Group 1 and 6 had an even earlier checker due to an on-track cleanup. In the afternoon, groups 1 through 5 had a 25 minute qualifying session.

On Saturday morning, groups 6, 7, and 8 had their 25 minute qualifying sessions. Group 6 had their session shortened. Following qualifying, each group had a race 1 of 25 minutes. The grid for the race was based on qualifying times. The start time of group 4 was delayed due to clean-up from the previous session, but the operating stewards were able to catch up to the scheduled times for the following races. Group 8 had a shortened race and were only able to get just over a lap of green flag running due to 2 separate full course yellows.

On Sunday, each group had their race 2 with the length of 35 minute or 15 lap race (whichever was reached first). The grid was based on a merge of the fastest lap from qualifying and the race 1 fastest lap. Group 2 finished on time, not laps. Group 5 had the race clock extended due to a black flag all and finished by time, not laps. All other groups finished on the lap count.

The timing and scoring group was staffed with 9 on Friday and 7 for Saturday and Sunday. It was a smaller group than usual for a Super Tour, but we were able to keep the sessions moving and producing results.
