Hoosier Super Tour Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on June 27th to the 29th of 2025. The weekend consisted of seven (7) race groups. The races used a sanction number of 25-ST-64028.

On Friday, each race group had a 20 minute practice session. Group 1 and 7 had their sessions ended early under a black flag all. The practice session set the grid for the 25 minute qualifying session for each race group. Groups 1 ran before lunch, with all other groups running after lunch. Groups 5 and 6 had their sessions ended early under a black flag all. Saturday morning had a 15 minute qualifying 2 session for each run group. The combined results from the qualifying sessions set the race grids. Group 1 had their 25 minute timed race before lunch. After a lunch break, the following race groups had their 25 minute races as well. Group 4 had their race ended early. On Sunday, each race group had a 35 minute or 14 lap distance race for each race group, whichever came first. The race grid was based upon a merge of the best time from the qualifying sessions and race one. All groups ran the 14 lap distance.

The timing and scoring group was staffed with 8 on Friday, 10 on Saturday, and 9 on Sunday. Thank you to all for a job well done.
