Fastrack Minutes:

- Solicitation for new RXB Members! The Rallycross Board is seeking a small number of motivated and engaged members to join us in 2027. Jonathon and Gonzo will step down from RXB following 4- and 5-year terms respectively. Both of these RXB members have made a huge impact on the Rallycross program and will be greatly missed. But the vision, ideas and energy for the program continue! RXB meets for 2 hours each month, with each member then spending an additional 2-3 hours per month on related projects and research. If this is something that interests you and that you want to be a part of, please send an introductory letter and brief resume to rxb@scca.com. Interviews with prospective members will be conducted during late fall with new members joining the team in January 2027.
- The 20th National Rallycross Championship has sold out 8 weeks before the event starts and RXB is absolutely delighted by the response! Meetings are in progress to explore how we can safely and effectively increase the 120 Competitor limit. Our goal is to welcome even more competitors and spectators to the Campe Verde, Arizona event on October 16 -18!
- The beginning of August saw the South Pacific and Lake Superior Divisional Challenges. Both events had record attendance including several members from RXB. Congratulations to the local organizers for creating two fun and well-run events.
- Ricks 2027 vision is for 10-12 major Divisional events with the Calendar being published in December 2026. Sanjay and the Divisional Rallycross Stewards are working hard and are on track to make Ricks vision a reality.
- With Gonzo stepping down from RXB, Sanjay offered to assume his role as National Competition Committee Chair, and this was welcomed and appreciated by RXB.
- Steve has been spearheading a regional initiative to make Hi visibility sun shirts available to SCCA members, The emphasis is on a good quality product at a reasonable price. These will feature the SCCA logo. A specific Safety Steward version will also be available. Look for the Swiftees advert on the Rallycross Facebook page.
